Dear Mr Blair,

I wrote to you on 11<sup>th</sup> January this year about issues of concern to this Society in the light of your reported reception into the Catholic Church. I asked you whether you now repudiate the legislative proposals you voted for, and policies you promoted, in favour of various anti-life measures.

Since I have not yet received a reply, I enclose that letter and hope to hear from you soon.

Yours sincerely,

John Smeaton, National Director
